A MESSAGE FROM OTS

The Edmonton Oilfield Technical Society is a non-profit organization registered and incorporated under the auspices of the Alberta Societies Act in 1951. Our mission is to promote good fellowship and exchange technical data amongst the members of the petroleum industry. Our membership of approximately 650 individuals is made up of owners and employees of oil and gas producing companies, drilling contractors, oilfield service and supply companies.

A 10 acre park was acquired in 1967. The Fin Lineham Pavilion was officially opened in July 1988. The hall and park have allowed the Edmonton OTS an opportunity to host multiple social events to further our mission to promote good fellowship amongst the members of the petroleum industry. The park is also available to non-members to rent for company picnics, weddings, anniversaries and other celebrations.

The Park is also home to the OTS Oilfield Equipment museum. The museum currently has over 45 exhibits in its collection. Exhibits gathered have gained international recognition and have laid the foundation that will make this a world class oilfield museum.

The OTS executive thanks everyone for their support and are always available and interested to receive your comments or feedback.

- If you are interested in obtaining an OTS membership please call Myron Myroon at (780) 991-7832.
- If you have any items of interest for the museum please call Shane Lindsay at (780) 984-8998.
- If you are interested in renting the hall please call Robert Boyne at (780) 893-0028.
