

OTS 2025 AGM

With Special Guest

David Yager

Energy Executive, Policy
Analyst, and Author

David Yager is a seasoned oil service executive, entrepreneur, and energy policy analyst. He has founded and led multiple successful oil service companies, including Tesco Corporation, which pioneered top drive drilling technology. A former National Leader Oilfield Services for MNP LLP and past Chairman of the Petroleum Services Association of Canada, Yager has been a prominent voice in energy policy and business journalism since 1979.

Author of *From Miracle to Menace – Alberta, A Carbon Story* (2019), he continues to shape Alberta's energy future as Special Advisor to the Premier and a member of the Alberta Energy Regulator Board of Directors.
